Dear Judge Lehrburger:

I. Pending Motions

There are no pending motions.

II. Fact Discovery

A. Document Production

The Trustee has completed its production of documents responsive to Sanofi’s requests.

Sanofi has completed its production of documents responsive to the Trustee’s requests.

The parties reserve their rights to challenge the completeness of each other’s document production based on ongoing deposition testimony.

B. Depositions

Depositions are ongoing. The parties are continuing to meet and confer regarding the extension of deposition testimony beyond seven hours for two individuals. Should impasse on this issue be reached, there will be application to the Court.

The Trustee and Sanofi had a substantive meet and confer on July 18, 2018 concerning a Rule 30(b)(6) deposition of Sanofi on designated topics. Sanofi has submitted a proposal to the Trustee regarding the noticed topics, which includes designating future, scheduled deponents as the Rule 30(b)(6) representatives and designating testimony already taken as Rule 30(b)(6) testimony on given topics.

Sanofi previously noticed the Rule 30(b)(6) deposition of the Trustee on a number of topics, as well as the individual deposition of an employee of the Trustee. The parties are in a meet and confer process with respect to Sanofi’s notice.
